Hudson Square is surrounded by plenty of public art brightening up the streets adding to the layers of culture in this buzzing area.

Located at the nexus of Soho, Tribeca and the West Village, Hudson Square is a bustling neighborhood filled with *public art* and *streets full of life*.

24

Surrounded by colorful street art by New York artists

With one of the best *parks* of the city, Hudson River Park, there is plenty of *open space* for *fitness, well-being* and activity.

325 Hudson is the perfect location for keeping fit and taking some time out by either running or walking along the Hudson River front with stunning views of Lower Manhattan.

Take your lunch outside with many green areas or just relax under the sun.

25

Walk or run there's plenty of space to take some time out for yourself and your well-being.

25

Little Island is a new public park, where you can experience nature and art in a unique urban oasis on the Hudson River.

Intimate eatery offering Emilia-Romagna dishes, outdoor seating and private dining in a wine cellar at Nonna Beppa.

Shuka is place for contemporary Eastern Mediterranean food, wine and cocktails in a stylish setting.

Dante, a legendary circa-1915 café serving small plates and cocktails in an updated historic setting.

Hudson Square is surrounded by some of the best *retail* and *eateries* in New York with plenty of *outdoor dining*, *cafés* and perfect *bars* to grab a drink and unwind.

27 Walk to Pier 25 at Hudson River Park where you will find popular spots with many restaurants, miniature golf, seasonal food options, sand volleyball and play spots.

Grand Banks at Pier 15. This seasonal oyster bar on the deck of a historic fishing boat serves seafood entrées and drinks.

Maman, a rustic storefront showcasing classic French and American baked goods, plus soups, sandwiches and salads.

Stroll along Hudson Street and you will find many outdoor dining experiences including Osteria Carlina, a quaint Italian restaurant serving pasta, meat dishes and desserts, plus weekend brunch and wine.

Three of cups simultaneously embraces European heritage and creates a NYC home for seeking good food and wine.

Meet the team

The Team

DivcoWest

Founded in 1993 by Stuart Shiff, DivcoWest, a DivCore Capital company, is a vertically integrated, real estate investment firm headquartered in San Francisco, with offices in Cambridge, Los Angeles, Menlo Park, Washington DC, New York City, and Austin.

Known for long-standing relationships and experience across the risk-spectrum in innovation markets, DivcoWest combines entrepreneurial spirit with an institutional approach to commercial real estate. DivcoWest aims to create environments that inspire ingenuity, promote growth, and enhance health and well-being.

Since inception, DivcoWest and its predecessor have acquired approximately 60 million square feet of commercial space - primarily throughout the United States.

DivcoWest's real estate portfolio currently includes existing and development properties in the office, R&D, lab, industrial, retail, and multifamily spaces. www.divcowest.com

Vocon

Started in 1987 with five employees, Vocon since then has grown to more than 200 employees nationwide with an international reputation and a portfolio of award-winning work.

Vocon is a woman-owned firm certified with WBENC (Women's Business Enterprise National Council). Vocon is working with their clients to design spaces that authentically reflect their company, their personality, and their goals.

For more than 30 years Vocon has been building unforgettable spaces that help their clients thrive, no matter how they use their space.

Perkins&Will

Perkins&Will was founded in Chicago in 1935 and has grown to over 2,700 dedicated and skilled employees in twenty-six offices worldwide. The firm includes a community of studios that create design solutions to elevate our clients' business practices.

Perkins&Will is passionate about human-centered design, and committed to creating a positive impact in people's lives through sustainability, resilience, well-being, diversity, inclusion, and research. In fact, they are recognized as one of the foremost design leaders in the world for sustainable architecture, and Fast Company named them one of the World's Most Innovative Companies in Architecture.

MdeAS

MdeAS is a New York based Architecture firm known for modern design focusing on the quality of natural materials, intelligent programming, and the redefining of Class A buildings, interiors, and public spaces.

MdeAS is led by a collective group of diverse individuals with a common goal of creating architecture that connects people and place. Coming from different cultural and educational backgrounds, each leader brings a unique perspective and skill set to the office. They are advocates for social action, mentors for young designers and architects of the future.
